Dear Sponsor

TRITECH SCIENCE AND TECHNOLOGY FAIR – 2019 FINALS

Tritech is by now an established competition that affords Gr 7 – Gr 12 learners the opportunity to showcase their research abilities. With the school and regional rounds currently in the planning phase, we are once again expecting some fascinating projects at this year's Nationals. Some three hundred learners will compete in the various categories at this year's Nationals on the 6 and 7 September 2019 in Tzaneen.

We feel free to ask you for a donation to enable us to host the Nationals. Tritech has been registered as a Public Benefit Organisation (PBO number: 9300 603 29) and has successfully received tax exemption status from SARS. This enables Tritech to issue to the donor a section 18A certificate enabling you to deduct a portion of the donation from your taxable income.

Please ensure that you complete the attached sponsorship form in full so that we can issue this tax deductible certificate.

The organisers are inviting sponsors to assist with the funding of the 2019 Nationals in Tzaneen. Sponsorship categories will vary from :-

- a) **Diamond Sponsor - R40 000 - R50 000**
May advertise at the Nationals with any promotional material and will receive a double-page advert in the programme.
- b) **Platinum Sponsor - R30 000 - R39 999**
May advertise at the Nationals with any promotional material and will receive a full-page advert in the programme.
- c) **Gold Sponsor - R20 000 - R29 999**
May advertise at the Nationals with a maximum of 2 banners and will receive a half page advert in the programme.
- d) **Silver Sponsor- R10 000- R19 999**
May advertise with 1 banner at the Nationals and will receive a quarter page advert in the programme.
- e) **Bronze Sponsor - R5 000 - R9 999**
The company logo will be published on the sponsor's page in the programme.
- f) **Blue Sponsor - Promotional material or less than R5 000**
The company logo will also be published on the sponsor's page in the programme.

Your generous support will be highly appreciated. Promoting science and technology is critical to the education of our learners and the future of our industries. As a donor you can donate a special prize to a

Executive Committee:
